“ Josh and his team at Superyacht Tenders and Toys did a fantastic job in a very short time (over the Christmas holidays no less) to totally outfit our latest new build with toys. They are dedicated, knowledgeable, and punctual. Looking forward to working with them again soon.”

Tripp Hock, Galactica Fleet

“ We recently engaged their services to fit out a 63m yacht being built in Italy with all the toys and 2 tenders. Included in the package was a 4.5m Castoldi rescue tender and a 6m Novurania, all of our dive gear, plus our inflatable toys

MY 11.11 / 63m Benetti

including climbing wall and trampoline plus sports life jackets, water skis and 3 Seabobs with quick chargers etc. We received all our order on time and as described. After sales service has been great with prompt responses to any concerns. I can confidently recommend SYTT for anyone considering engaging professional help to outfit a yacht to a good standard”

Captain Vaughan Hill, MY 11.11

“ Just wanted to say thank you to you and your team for your great work in supplying the toy package to M/Y Ulysses here in Bremerhaven. I know some of our requests were a little broad and lacking in detail, but you guys

MY ULYSSES / 107m Kleven

really came to the party for us and your knowledge of the products and options available was a great help. From the J 70 Sail boats and Wave Runners to the Stainless Steel tool box and motorcycle stands, we are really happy with the quality of the items and the speed in which you delivered. Thanks again Gents and we look forward to dealing with you to fit out the U116 project later in the year. Please don't hesitate to name me as a reference for any future clients.

Mudd, MY Ulysses

“ MY HALO enlisted the services of Superyacht Tenders and Toys to help with the outfitting of this new build yacht. I found Josh, Claire and the team to be a great source of knowledge in this field as well as super flexible and patient with our requirements. I would highly recommend them as the 'goto' company for anything yacht-toy related...

Lee Stevenson, MY Halo

“ The team at Superyacht Tenders & Toys were fantastic right from the start. They were able to source all the products we needed for our new build, give accurate time lines for delivery, supply

SY NGONI / 58m Royal Huisman

weight calculations and dimensions for building racks and storage solutions and package everything in a timely manner at a great cost. I would highly recommend them for any vessel wanting to come up with good solutions to your watersport needs. Great job guys and thanks.
