CATEGORIES: PANELING, OTHER, LUXURY GOODS

Established in 1985 as a wood working company ARTECRAFT has now added marble and Swarovski to it's expertise, manufacturing an exclusive assortment of bespoke furniture and luxury doors in India, serving domestic and intercontinental customers.

Our models are incorporated into a range of projects such as villas, palaces, Royal and Presidential Suites, corporate, luxury yachts, condominiums and aircrafts. The main customers that we deal with are individual clients, dealers, architects, interior designers and high-end furniture contactors.

To summarise, we proudly conclude that ARTECRAFT INTERNATIONAL creates a **luxury lifestyle for people with genuine individuality**, always creating that wow factor, which every consumer has an urge for, in their masterpieces.
