## HOT LAB

CATEGORIES: INTERIOR DESIGNERS, EXTERIOR DESIGNERS

Hot Lab Studio starts in Milan on 2004, basing its activity on the ideas of three designers, Michele Dragoni, Enrico Lumini and Antonio Romano who have previously worked in the Automotive and Interior design. Since the beginning, Hot Lab enterprises important Yacht Design projects alongside private Clients and known Shipyards and Brokers too, to be seen for the accuracy in details that underlines an elegant and subtle style. The Partners morphed the Automotive experience to the Nautical field, transposing this expertise also to urban projects. Hot Lab embraces projectuality and design for many Yachts, working in Italy, France, Greece, Monaco, U.K., Turkey, Egypt, China... gaining important Awards for its Clients and for its own dedication. Hot Lab features among yachting, lifestyle and architectural reviews and works alongside the prestige of the Italian Universities, offering support on various Events, Exhibitions and Brainstorming sessions.
