MONACO MARINE GROUP

CATEGORIES: MARINAS & PORTS SHIPYARDS - REFIT

COMPANY INFORMATION

Monaco Marine is a network of refit and maintenance shipyards for super and megayachts up to 160m+ on the French Riviera. Their expertise, know-how and ability to manage huge refit projects allow them to reach the highest quality standards available on the market.

Over 3,000 yachts undergo refit, repair or wintering at Monaco Marine shipyards every year. Thanks to eight yacht facilities located from Monaco to Marseille and a mobile shipyard programme, Monaco Marine commits its expertise and contractors to superyacht refit and maintenance projects in the world. With the mobile shipyard programme, their clients can now alternate technical pit stops and huge refits to maintain the highest quality.

After 25 years' experience, Monaco Marine provides the best support for owners, captains and crew throughout the year and has gained a loyalty rate of 80 per cent from its customers.

Working with passion, providing state-of-the-art facilities, innovating for tomorrow and always keeping customers' satisfaction in mind, that's their everyday life.
