CHASE TENDERS LTD

CATEGORIES: TENDERS & INFLATABLE TENDERS & TOYS

COMPANY INFORMATION

Chase Tenders is an independent specialist and supplier of chase boats and tenders to the superyacht industry. Focused wholly on the needs of our clients, we work closely with captains, owners, managers and shipyards to offer a complete service, from concept and build through to unrivalled after-sales support that continues for the entirety of your tender ownership.

We have forged trusted relationships across the superyacht industry and manage the entire process of building or providing the tender that is perfectly suited to each client's needs. We are independent so we have no obligations to a particular manufacturer; our only commitment is to the needs of our clients. We take away the burden and time constraints whilst fully supporting creative input and providing dedicated, after-sales support far beyond handover of your tender - and at the best possible price.
