

TILMAN KRIESEL ART ADVISORS GMBH

is an independent art advisory and an experienced partner in the global art scene. Its long-standing expertise covers everything from expert guidance, brokerage, valuations and the discreet handling of high-value artworks and is specialized on the realisation of one-of-a-kind projects. The firm's expert stance is thanks in no small part to founder Tilman Kriesel's familial connection to the prestigious Sprengel Museum Hannover.

Today, Art Advisors GmbH offers extensive project experience, including in the all-encompassing discipline of art management. The team draws on several years of professional expertise in the mega yacht sector. Our customers value our full service support and high quality individual guidance. Tilman Kriesel Art Advisors is a member of the German Association of independent Art Advisors.

TILMAN KRIESEL was enthused by his family's passion for collecting at a young age; today, he imparts his eye for quality and his experienced perspective on the art market to a wide range of clients. As a trained architect and a board member of various prestigious cultural institutions, Tilman is a well sought-after independent and trustworthy art consultant.

ASTOR MILAN SALCEDO has been passionate about arts all his life. After a successful career as a photographer he expanded his field of work into moving pictures before becoming a full time artist. His insatiable curiosity for art, artists and art heritage has made him an autodidact in the field of arts and therefore a reliable partner in handling any form of artwork.

PANDORA MATHER-LEES a founding member of the Art Due Diligence Group, Pandora advises and trains superyacht captains, crew and the industry at large on the risks of carrying fine art in international waters along with art appreciation and art market basics. Member of the Association of Art Historians, a Liveryman in The Worshipful Company of Arts Scholars and a fellow of the RSA.
